

Whitman Mission Summer Demonstration Schedule 2007

More Events! More Fun! More Know-how!

This year two or more demonstrations and/or activities will be presented each weekend from June 23 through August 26. All activities or demonstrations take place between 1:00 and 4:00 pm unless otherwise noted. Most weekends include a "Hands On" activity that visitors may do themselves (written in *italics*).

Also, a new series – "Evenings in July" – will be presented each Saturday in July. Times and meeting places are noted on the schedule below.

If you plan to attend more than one event, remember that a Whitman Mission Annual Pass is available for only \$10. It covers the entrance fee for a whole family for one year from date of purchase.
